

**Remarks**

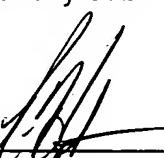

Claims 76 and 79 have been amended leaving claims 76-81, 79, and 90 pending in the application.

Claim 79 stands objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form. Claim 76 has been amended to recite a chromium-comprising catalyst. As amended claim 76 is in condition for allowance. Claim 79 has been amended as well to recite a further limitation of amended claim 76. For at least the reasons that claim 76 is allowable, claims 77-81, 79, and 90 are allowable as well.

Applicant requests the allowance of claims 76-81, 79, and 90 in the Examiner's next action. The Examiner is requested to phone the undersigned if the Examiner believes such would facilitate prosecution of the present application. The undersigned is available for telephone consultation at (509) 624 4276 on Monday-Friday between 8-5 (PT).

Respectfully submitted,

Dated: 3/16/06
